Dear Festival Supporter:

Eight years ago a small group of dedicated people had a dream of presenting a quality LGBT film festival in Colorado Springs. This first Festival could only have evolved into a fabulous community celebration that gives us cultural diversity with your continuing support. **THANK YOU**.

The 8th Annual Pikes Peak Lavender Film Festival will open on September 14th , 2007 at the beautifully remodeled Fine Arts Center. Once again, we ask for your help to keep PPLFF alive in our fair city which sorely needs an LGBT film festival to provide our community with a more balanced image and improve our city's reputation.

Enclosed with this letter you will find a sponsor form that offers three ways of supporting the Festival: 1) as a **Festival sponsor** 2) as a **film sponsor**, and 3) as an **advertiser** with both black & white and color display ads available. If you have any questions, would like additional information, or would like to change your listing, please feel free to email Bob Armintor at barmintor_8@msn.com.

Each year's Festival builds on the successes of prior years, and we are fully confident that 2007 will be no exception. We will once again present some of this year's best international LGBT shorts and feature films. Our expenses: venue, film rentals, hospitality and printing costs increase annually. Yet we continue to be able to offer sponsorships at the same levels, as all of our producers volunteer their time and services to the Festival, and are only reimbursed for their out-of-pocket expenses. All donations/sponsorships for the Festival are tax-deductible as a business or personal expense.

If you possibly can do so, we hope you will support the Festival at a higher level. We are very grateful to you for any support you can provide. You have had the vision to recognize what an important event our Festival is to our community. Individual and business sponsors receive recognition in the printed program, in the Power Point presentation throughout the Festival, and from the stage.

PLEASE continue to support PPLFF. We are now in the process of researching films for this year's program. Our opportunities to secure these films are greatest if we know we have the funding. We appreciate all you have done. Your contribution will have a greater impact if you are able to pledge your support soon.

We hope you'll join us to view some great films at the Fine Arts Center, **September 14-16, 2007**.
